MAKE IT BETTER, MAKE IT HEAVIER

Soporset CoverX is made with our unique *Eucalyptus globulus* fibers, ensuring better porosity, opacity, bulk and sheet formation.

CoverX quality is based on continuous investment in leading technology and constant innovation, to make your printing results excel in every way, every time.

- Improved sheet surface and cut quality reduces dust contamination
- Acid-free
- ECF (Elemental Chlorine Free)

- Sharp images on every print
- High opacity for minimum show-through
- Made 100% of *Eucalyptus globulus* fibers
